Statutes of the Nordic Swimming Federation

1

The members of the Nordic Swimming Federation (NSF) are the Danish Swimming Federation, the Faroe Islands Swimming Association, the Finnish Swimming Association, the Norwegian Swimming Federation, the Icelandic Swimming Association, the Swedish Swimming Federation and the Estonian Swimming Federation.

NSF may approve associate members.

2

The Nordic Swimming Federation is a collaborative body between the member federations. The goal of the collaboration in the Nordic Swimming Federation is that the Nordic countries represent a common position in international questions, as well as strengthening swimming as a sport in the Nordic region.

3

Members and associate members shall be members of FINA and LEN.

4

The Nordic Swimming Federation determines the conditions for Nordic championship competitions and comparable competitions that are designated as Nordic.

5

The bodies of the federation are the congress and the federation board.

Congress is the federation's highest body. Every member has one vote at meetings of the congress. Who exercises this voting right is advised when congress opens. Associated members do not have the right to vote. A simple majority is required for a decision to be valid. No member country may transfer its voting right to the representative of another member country.

The board consists of presidents from each of the member countries. Substitutes may be appointed.

Congress and board meetings are conducted in English.

6

The work of the board is chaired by a president. The presidency and secretariat rotate between the countries in a fixed order.

7

Congress decides the membership fee, which is stated in Swedish kronor (SEK). This fee falls due for payment on 28 February each year.

8

The accounts for each calendar year shall be presented for approval by congress in the currency of the president country.

9

An ordinary congress is held each year. Notification shall be received by member countries and associate members no later than two months before the date of the congress. The agenda and all proposals shall be issued no later than one month before the congress. Proposals for discussion at congress shall be received by the secretariat of the chair federation no later than eight weeks before the congress date.

The agenda shall include the following points:

1. The president's report of activities and the financial report.
2. Determination of the dates of all Nordic championships for the following calendar year and approval of any other events. Congress decides on the locations of championships on the basis of proposals from the respective countries, and in urgent cases may also decide on other matters falling under this item.
3. Congress decides on the composition of the Nordic Education Group, as well as other working groups for the development of swimming as a sport in the Nordic region.
4. Decision on the amount of the annual fee.
5. Discussion of proposals submitted.
6. Election of president and announcement of secretary general and secretariat (every four years).

10

An extraordinary congress meets if the board so decides or if three of the member countries so request. Such a request shall be submitted to the secretariat with a proposed agenda. The president shall then call the extraordinary congress by issuing the agenda no later than thirty days after the representation has been received and congress shall meet no later than 30 days after the notification has been sent.

11

A secretariat shall exist for NSF's administration, such as correspondence, minutes of meetings, accounts, etc. The task of maintaining the secretariat shall rotate between the members for a period of four years at a time.

12

The federation's activities between congresses are managed by the federation board. The work of the federation is led by the president. The federation board is deemed to have a quorum when at least half of the representatives of the member countries are present or support the proposal in question by letter. A simple majority is required for a decision. Each member country's board member has one vote.

13

The board shall meet at least once per year (cf. statute 4). Further meetings occur as needed. Board meetings shall be called by the president and shall occur if at least three board members so desire. The invitation to the meeting shall be sent at least seven (7) days before the meeting.

14

The board shall, in addition to what is mentioned in statute 4:

- a) implement the decisions of congress
- b) prepare the items to be discussed by congress
- c) send an annual report and financial statements to the member federations
- d) handle all current business
- e) decide on the proposals put forward by the respective federations. Decisions on which proposals shall be put forward are decided with a simple majority.
- f) discuss a joint Nordic position on selected items on FINA's and LEN's congress agendas
- g) decide the time and place for the next congress

15

The bureau and committee members at LEN and FINA who are elected by members shall be required to give written reports to the federations of members and associate members. Before meetings with the bureau or committee, representatives shall request input from the federations both for items that are on the agenda and also on matters that the countries wish to bring up for discussion. Bureau and committee members shall put forward in their respective bodies the views of the Nordic Swimming Federation or the respective federations.

16

Each federation pays its own expenses for travel and accommodation for its representatives at congress or board meetings.

17

Specific provisions have been drawn up for championships. Competitors from member countries and associate members are entitled to participate in Nordic championships. All member federations of FINA may participate in open competitions.

18

Amendments to these statutes may only be made by congress and require a two-thirds majority.

A - General rules and regulations

1

According to the rules of the Nordic Swimming Federation, all member countries and associate members are entitled to participate in the Nordic Championships.

2

The championships shall be organised by one of the member countries, in accordance with the rotation determined by NSF congress. Member countries that do not wish to organise the championships shall notify the NSF board of this no later than one year before the championships. NSF congress determines sanctions in the event of any breach.

3

Dates of the championships are determined by NSF congress or the secretary general on the basis of proposals from the organisers.

4

The organising country (federation or local organiser) should send invitations to compete to participating countries minimum of three months before the competitions start. The invitation shall be sent to NSF's general secretary.

5

Registrations should be made two months before each competition and the final registrations must be in the possession of the organisers no later than 10 days before the first day of competition. At the technical meetings for competitions, changes can be made if the participating countries agree on this. The NSF board determines sanctions in the event of any breach.

6

No entry fees are collected, with the possible exception of all Masters and Open Water Championships. A binding deposit charge may be made for water polo; this shall be adjusted in relation to documented extra expenses.

7

In swimming, diving, synchronised swimming and Open Water Swimming, NSF's championship medals are awarded to swimmers who finish first, second and third in each age group and discipline, and the same for teams in team events. The organiser is responsible for the cost of these. In water polo and masters, prizes are awarded in relation to the respective competition conditions.

8

It is the organiser's responsibility to find the most appropriate accommodation (rooms and food) for participants.

9

In special cases, the NSF board may make exceptions to these competition rules.

10

FINA's competition regulations shall be observed in all competitions under the NSF.

11

In order to be able to call a competition a Nordic Championship, participants from at least three Nordic countries must take part.

12

Competition report must be written from each NSF championships. The report shall be sent to NSF's general secretary within two weeks of the championships by organising federation.

13

The competition between countries is the same for all disciplines and the points are calculated according to the following table:

| Individual + all diving events | | Swimming relays | |
|---------------------------------------|---------|------------------------|---------|
| Position | /Points | Position | /Points |
| 1 | 9 | 1 | 18 |
| 2 | 7 | 2 | 14 |
| 3 | 6 | 3 | 13 |
| 4 | 5 | 4 | 12 |
| 5 | 4 | 5 | 11 |
| 6 | 3 | 6 | 10 |
| 7 | 2 | 7 | 9 |
| 8 | 1 | | |

14

Every member country appoints a NSF contact person for swimming, diving, water polo, synchronized swimming, open water and masters. The contact information will be given to NSF's general secretary.

15

All Nordic meetings should be held in conjunction with the annual championships.

H - Nordic Education Group

1. Objective

The objective is to develop learn to swim –programmes, swimming teaching and baby swimming in the Nordic countries and to arrange a Nordic conference on swimming teaching and a Nordic conference on baby swimming every other year.

The aims of the conferences are:

- to provide new knowledge and add expertise
- to disseminate information in Nordic countries and in Europe
- to help to develop learn to swim –programmes, swimming teaching and baby swimming in swimming clubs

2. Membership and organisation

Each NSF member country appoints a representative to the Nordic Education Group (NEG) working group. The appointed persons should consist of persons from the federations who work in the field of learn to swim - programmes. The chairman always represents the country organizing the next conference.

NSF's member countries appoint a contact person for baby swimming in each country.

The role of the NEG-group is to make suggestions for the topics for the conferences for the organizing country. The cooperation of the NEG-group and the planning of the conferences shall be made via e-mail or other electronic tools. If the group so decides it can arrange a meeting. Each country pays for its own NEG-group expenses for the meetings and conference. Reports from the meetings are sent to the NSF general secretary.

3. Administration

The host country for the next conference on swimming teaching or baby swimming is responsible for the administration and conduct of the conference. NSF's president country and the NEG are responsible for the administration of the NEG.

4. Finance

The organising country is responsible for the finances of the conference.

I - Nordic records

1. All records will be administered by Sweden
2. Junior records (25m and 50m) have to be sent to the country holding the Presidency of NSF.
3. Records will be established from June 1. 2015, both for 25m and 50m pools.
4. If a record is to be established it has to be equal to or faster than 850 FINA points.
5. Age groups for junior records:
 - Boys 14 to 17 years
 - Girls 13 to 16 years.
