

17th REYKJAVIK INTERNATIONAL

Reykjavik International Games (RIG) swim meet has been held since 1989 in the Laugardalur Swimming Pool. Many international swimmers have participated in the meet through the years. Swimmers from Norway, Sweden, Denmark, Finland, Faroe Islands, Czech Republic, Germany, Russia, Slovakia, Qatar, USA and the United Kingdom have visited Iceland to take part in RIG.

The Reykjavik International Games swim event is now held for the 17th time in the Laugardalur 50x25m indoor pool that was opened in January 2005. Along with the City of Reykjavík we welcome athletes to a multisport competition in Laugardalur, the *Valley of Sport*. Swimming is one of the biggest events of the games.

Internationally experienced referees have been invited to conduct the technical part of the competition and it is a FINA and LEN approved meet.

Participation in RIG also gives you a great opportunity to plan a training camp for your team before or after the competition. The Icelandic Swimming Association will provide assistance for booking training hours and accommodation.
